The Best Plaster.

A piece of flannel dampened with Chamberlain's Pain Balm and bound to the affected parts is superior to any plaster. When troubled with lame back or pains in the side or chest, give it a trial and you are certain to be more than pleased with the prompt relief which it affords. Pain Balm also cures rheumatism. One application gives relief. For sale by Benson, Smith & Co., general agents for Territory of Hawaii.

is this design unique?

The Life Policies of the Grand Old

Pacific Mutual

are just as unique as this cut. Just think of a 20 payment life policy guaranteed paid-up in 15 years, or of a 15 payment policy guaranteed paid-up in 12 years. This guarantee is backed by \$20,000,000 more than the security given by any other life insurance company. Policy provides increasing insurance yearly as well as liberal loans and surrender value either in cash or paid-up insurance. It provides also for automatic extended insurance; in other words, more insurance for the same money, or the same insurance for less money than given by any other company on earth.

For similar policies furnished on application.
